Summary

Presales professional with 1.5+ years of experience across ERP and enterprise tax technology, including hands on Odoo presales at an Odoo Gold Partner covering ERP and marketplace integrations (Shopify, WooCommerce, Amazon). Currently in enterprise presales for GST compliance and tax technology, running product demonstrations and managing RFPs for enterprise clients strengthening my consultative, discovery first approach. In my Odoo tenure, achieved 120% of sales targets and supported deal closures, while independently handling functional discovery to speed up the sales cycle. Strong working knowledge of Odoo's Sales, Purchase, Inventory, Manufacturing, and Project modules, and looking to bring this enterprise presales experience back into the Odoo ecosystem.

Experience

Presales Executive - GST & Tax Technology

Cygnat Infotech, Ahmedabad, Gujrat

May 2026 – Present

- Conducted product demonstrations for Cygnat's ASP/GSP (GST Suvidha Provider) compliance product, presenting to enterprise clients
- Prepared and managed RFP responses
- Built working knowledge of GST compliance frameworks and litigation management — notice types, appeal hierarchies, and dispute lifecycle, including the shift from Sections 73/74 to Section 74A (FY 2024-25 onward)
- Positioned GST and tax technology solutions for enterprise buyers by mapping compliance workflows to product capability, applying the same discovery first approach used in previous ERP presales work
